My thoughts: This is the third week of our month of prayer! 3 different techniques are described and they are all great in their own way. Some you may feel more drawn to and that is ok!

Using your hand is a great way to pray that you can do easily wherever you are!

# Challenge

This week's challenge is...

**To make a handprint to help you pray.**

You can draw around your hand or make a handprint with paint.

You could decorate the fingers with what they tell you to pray for, like drawing your family on the thumb.

The story: Praying as Jesus did

Talk to God how you would talk to someone who loves you, don't feel scared, you can ask for things, say thank you and say sorry

5 fingered prayer

Thumb is family

Pointer finger is for people who point the way for us

Middle finger is people who lead us

Ring finger is those who are weak

Pinky finger is you!

Response prayer:

Dear Jesus

Thank you for teaching us how to pray. Thank you that we don't need to feel scared and we can talk to God about anything.

Amen

# Craft

The craft this week is to make your own handprint

You could draw around your hand or make your handprint with paint.

Decorate it how you like, you could even draw the people you are praying for on each finger!

Then you can use it to help you pray!

## **The 'ways to pray' revisited: 5 fingered prayer**

Thumb = Family; Index = Leaders, teachers; Middle = Those in charge; Ring = Weak people in need; Pinky = You!

TSP

Thank you, Sorry, Please

CHAT

Confess, Honour (thank God for who He is), Ask, Thank

## **Review of the 'ways to pray':**

Which 2 'ways to pray' are very similar and what is the 1 difference?

## **Apply the 'ways to pray':**

Which idea do you like best? Why?

## **Response prayer: (or pray your own prayer)**

Dear God

Thank you that we can pray for a lot of different things in a lot of different ways.

Please help us to use these 'ways to pray' to talk to you this week.

Amen

# Activity

The activity this week is...

**To make a poster of your favourite way to pray**

The poster should say which you have chosen and how you do it.

Everything else is up to you!

You can decorate it however you want, you can use different colours, draw pictures...

**Extra challenge:** Show it to your grown up and see if they can understand the 'way to pray' you have made it about!
